NEW

CELERIO Green

CELERIO

Life takes a leap

Every once in a while a car sets out to push the boundaries. The Celerio Green is one such car. Its factory fitted advanced Intelligent Gas Port Injection CNG technology allows for a uniform and homogeneous air-fuel mixture. It's BS-IV compliant. And its reliance on green technology ensures that emissions are kept to a minimum, making it environment friendly. But that's not the whole story. It also gives you great mileage and great savings with every roll of the wheel.

i-GPI TECHNOLOGY

FACTORY FITTED

**i-GPI
CNG**
TECHNOLOGY

The i-GPI technology translates into the fuel being intelligently and intuitively controlled, which means that you enjoy a smooth Pickup and Drive. Just like a petrol vehicle.

What makes i-GPI a better CNG Technology:

- CNG is injected into different ports of the engine near the combustion chamber, which results in homogenous combustion.
- The quality of CNG that is injected into the engine, as well as the changeover from petrol to CNG are both intelligently controlled.
- Dual onboard computers to give enhanced and pleasurable performance in both CNG and Petrol mode.

**i-GPI Technology
for a Smooth Running Engine**

EZ COMFORT

Comfort is the byword when it comes to the Celerio Green. And this is why:

- The bi-fuel option allows for longer drives
- Faster CNG filling
- Easy to use Changeover Switch
- Integrated display showing fuel mode and fuel level
- Easily accessible spare tyre

*Test results of Rule 115 of CMVR, 1989.

THE GREEN ADVANTAGE

The Celerio Green has been designed to be both friendly to you and the environment. Its factory fitted CNG kit ensures:

- A hassle free buying experience
- Easy servicing through the extensive MSIL service network
- Maruti Suzuki standard warranty

Factory fitted i-GPI CNG Technology

Easily accessible spare tyre

Integrated display showing fuel mode and fuel level

Easy Changeover Switch

Fuel Inlet with Micro Switch for safety

EZ SAFETY

Safety is not about one thing but a combination of many things that can assure you complete peace of mind regarding your loved ones. The Celerio Green understands this and is superbly geared to meet the highest safety standards. It has been specially designed for a longer life, so that you drive worry-free.

- Leak Proof Design – comes with corrosion resistant stainless steel CNG pipes and joints
- Integrated Harness – the CNG wiring harnesses are integrated with the main harnesses
- Evaluated on and passed stringent crash checks

- BS-IV compliant
- Special material used for engine parts
- Vehicle tuned for tough conditions
- Designed to meet high quality standards
